Kenmore State School received (finalised amount)**

\$130 445

Our full 2017 agreement can be found on our website at: [Kenmore State School 14S](#)

1.

Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Reshaping the learning support model to build expertise in class teachers to implement literacy and numeracy intervention and enhancement programs to students;
- Enhancing the STEM program to incorporate science literacies and inquiry learning for student success;
- Appointing a HoC (Pedagogy Coach) to provide all teachers and support staff with ongoing literacy training, tools, support and feedback on the WSA to teaching literacy;
- Using coaching and mentoring models to support teachers to improve consistency using researched methodologies, demonstration lessons and feedback.
